

DANCE BY MY GRAVE is a Quantum Consciousness Creation.

It is Quantum Consciousness Experiencing the Self - Freedom.

Its one and only parameter is Freedom.

I, Aleksandra Maria Ścibor Infinity, guide the creation of DANCE BY MY GRAVE.

I hereby declare and decree that I guide DANCE BY MY GRAVE in, with, through Freedom.

I claim complete and absolute responsibility for the creation process and production.

I declare and decree my total devotion and unconditional dedication  
to the revelations from the Infinite Me as the first and ultimate source of DANCE BY MY GRAVE.

I follow the insights received from the Infinite Me and make no compromise delivering how, why, what I receive.

DANCE BY MY GRAVE is my puzzle to the Life of Quantum Existence. It is the puzzle of Freedom and Celebration.

I am moved, elated, and honoured to offer DANCE BY MY GRAVE to this world.
